Weipo sanitary ware always advocates the concept of "green environmental protection, water saving, energy saving, health and safety". We are specialized in manufacturing sanitary ware products including bathtubs, wash basins and shower bases for more than 10 years. Our customers are spread all over the world, especially in America, Canada, Australia, Europe and Asia. Our excellent quality, elegant designs, solid reputation, heartfelt customer service and professional technology has gained the trust of all customers, helping them to quickly establish their presence in the local sanitary ware market. We also provide OEM and custom made service for customers. Our products have obtained CE and CUPC certification for safety requirements. Our business targets are excellent quality, innovation, efficient management and constant development. We are aiming to build a long-lasting and win-win partnership with you.
