Address: Units 1103~1104, 11/F, Chuang's Enterprises  
Building, No.382 Lockhart Road, Hong Kong

We are specialized in manufacturing sanitary ware products including bathtubs, wash basins and shower bases for more than 10 years. Our customers are spread all over America, Canada, Australia, Europe and Asia.

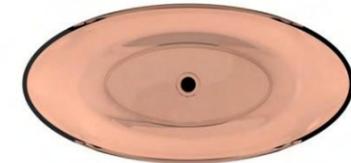

Excellent quality, elegant designs, solid reputation, heartfelt customer service and professional technology win the trust from all customers, and we support our customers quickly occupy the local sanitary ware market.

We also provide OEM and custom made service for customers. We have acquired CE and cUPC certification for our products.

Excellent quality, innovation, efficient management and constant development are our business targets. We would like to build up a long business relationship with you and to be win-win.
